Starlight, starbright
Come out of the dark

Hear me wishing on it
Starlight, hear me crying at the moon
Oh, I'm wishing for you, starbright
(I'll get ya)

Starlight, starbright
Come out of the dark
Starlight, Starbright
And into my heart

Every night hear me wish for you
Every night hear me call your name
Oh starlight, it's true
(I'll get ya)

Starlight, starbright
Come out of the dark
Starlight, starbright
And into my heart

Starlight, starbright
Come out of the dark
Starlight, starbright
And into my heart

Starlight, starbright
Come out of the dark
