Surrender Surrender Surrender

The light of spirit burns in everyone
The diamond's buried deep (surrender)

When the heart is ready the teacher will come
Nothing remains without change (surrender)

The Tao Of Heaven shines in every eye
The diamond's buried deep (surrender)

It's a gateless gate for those who never try
Nothing remains without change (surrender)
The light of spirit burns in everyone
The diamonds buried deep (surrender)

When the heart is ready the teacher will come
Nothing remains without change (surrender)

The Tao Of Heaven shines in every eye
The diamond's buried deep (surrender)

It's a gateless gate for those who never try
