I think that it's high time we had a talk
I think that we're making a big mistake
I've been feeling lately the magic is gone
Are we just together for convenience sake, baby?

I don't believe it, I don't think that's true
(Feeling tied down)
It'll just pass if we allow it to
(Need to break free)
It's just a stage we're going through
(They say clean cuts)
I think you're just restless for something new
(Heal much faster)

Baby, feeling like we pay our dime
And all we get in return is a piece of each other's time

Are we just taxi dancing
Lost somewhere in a slow dance for two
And the band that was playin'
Has finally stopped playin' our favorite song

Are we just taxi dancing
You're payin' for me and I'm payin' for you
And are we holding on to a feelin'
With desperation?

Don't know if you're right, don't know if you're wrong
Seems to me we haven't danced for long
Don't make it hard, don't make it easy
(I won't hold you)
We'll just walk away at the end of the song
(If you must go)

Baby, put one last nickel in the jukebox
Give that love we once felt just one final spin around

'Cause we're just taxi dancing
Lost somewhere in a slow dance for two
And the band that was playin'
Has finally stopped playin' our favorite song

And we're just dancing
And the band that was playin'
Has finally stopped playin' our favorite song

Are we just taxi dancing?
You're payin' for me and I'm payin' for you
And are we holding on to each other
In desperation?
