So long, I've been looking too hard, I've been waiting
too long
Sometimes I don't know what I will find, I only know it's
a matter of
time
When you love someone, when you love someone
It feels so right, so warm and true, I need to know if you
feel it too
Maybe I'm wrong, won't you tell me if I'm coming on too
strong
This heart of mine has been hurt before, this time I
wanna be sure
I've been waiting for a girl like you to come into my life
I've been waiting for a girl like you, your loving will
survive
I've been waiting for someone new to make me feel
alive
Yeah, waiting for a girl like you to come into my life
You're so good, when we make love it's understood
It's more than a touch or a word can say
Only in dreams could it be this way
When you love someone, yeah, really love someone
Now I know it's right, from the moment I wake up till
deep in the night
There's nowhere on earth that I'd rather be than
holding you tenderly
I've been waiting for a girl like you to come into my life
I've been waiting for a girl like you, your loving will
survive
I've been waiting for someone new to make me feel
alive
Yeah, waiting for a girl like you to come into my life
I've been waiting, waiting for you, ooh, I've been
waiting
I've been waiting
(I've been waiting for a girl like you, I've been waiting)
Won't you come into my life?
