We're gonna have a good time
It's gonna be a rock 'n' roll night
We're gonna have a good time
We're gonna play the music all night

Come on now, get the music on
We're gonna dance and sing till the night is gone
I'm feeling good, I'm feeling better now
You can really do it and I'll show you how

So come on, can't you hear me saying?
Don't you think about yesterday

We're gonna have a good time
It's gonna be a rock 'n' roll night
We're gonna have a good time
We're gonna play the music all night

Ooh, sit down, I don't want ya rockin' the boat
You got your high heel shoes and your overcoat
I believe things are better now
If you just let go, I can show you how

So come on, it's no time for sorrow
Don't you think about tomorrow

We're gonna have a good time
It's gonna be a rock 'n' roll night
We're gonna have a good time
We're gonna play the music all night

Oh, we're gonna have a good time
It's gonna be a rock 'n' roll night
We're gonna have a good time
We're gonna play the music all night

We're gonna have a good time
It's gonna be a rock 'n' roll night
We're gonna have a good time
We're gonna play the music all night

We're gonna have a good time

It's gonna be a rock 'n' roll night
We're gonna have a good time
We're gonna play the music all night
