I wonder who she's seeing tonight  
Is she really going out with him?  
He's not her type  
And doing all the things  
she used to do to me

Well I'd say something to her  
But I get so jealous  
when I think of her  
loving somebody else  
That I can't think  
why we ever let go  
I must have been crazy

(chorus)  
Tell me what kind of fool am I?  
To just let go  
to just let go like that?  
What kind of fool am I  
to lose you?

She was cold sometimes  
but she made me feel alive  
She was such a spoiled baby  
But baby she could love  
And she loved me like  
nobody ever will again

I thought we'd be together  
when the world ran down  
When the curtain fell

and the lights came up  
But the gods or whatever  
make the world go round  
shuffled when they should have cut

(chorus)

Did it come too easy  
to the two of us?  
Did we go too wrong

to ever make it right?  
Were we too busy checking  
out the left hand  
that we didn't see the right?

Tell me what kind of fool am I?  
To just let go  
to just let go like that?  
What kind of fool am I?

Oh baby please  
oh baby please come back  
I meant to say in time  
Baby we could work it out  
but I never meant to say goodbye

Tell me what kind of fool am I?  
What kind of fool am I?  
What kind of fool am I  
to lose you?
