What can I do, I'm at the door?
I've tried turning back there's no point in that now
What should I say, what should I do?
Should I fix my hair, oh, why am I scared now?

Facing the world is so hard
Do you know what I mean?
People are so often hard
And far too ready to say, hey, oh

Why are you waiting?
Why are you waiting?
Why are you waiting?

What if I fail?
(You won't fail)
Why are you waiting?
What if I fail?
(You won't fail, you won't fail)

Look at me stand outside the door
Like a frightened child with a nervous smile see
What should I do, what should I say?
Should I speak at all, I am much too small now?

Facing the world is so hard
Do you know what I mean?
People are so often hard
And far too ready to say, hey, oh

Why are you waiting?
Why are you waiting?
Why are you waiting?

What if I fail?
(You won't fail)
Why are you waiting?
What if I fail?
(You won't fail)
Why are you waiting?
What if I fail?
(You won't fail, you won't fail, you won't fail)
