She Can't Say I Didn't Cry

If she says I caused her hurt

You can take her at her word

And know she's speaking from her heart

And when she talks about the pain

And she says that I'm to blame

You can bet I did my part

If she says I didn't lift a hand when

She walked away

It's true I didn't make her stay, but

Chorus

She can't say I didn't cry

She can't say she didn't know

How it tore me up inside

How it hurt to watch her go

There's a million things that she might say

That I cannot deny

But she can't look me in the eye

And say I didn't cry

If you haven't heard by now

How much I let her down

When you do, you can sure believe

That I made some mistakes

But that don't take away
