To really love a woman, to understand her
You gotta know her deep inside
Hear every thought, see every dream
And give her wings when she wants to fly
Then when you find yourself lyin' helpless in her arms
You know you really love the woman

When you love a woman, tell her that she's really
wanted
When you love a woman, tell her that she's the one
She needs somebody to tell her that it's gonna last
forever
So tell me, have you ever really, really, really ever
loved a woman?

To really love a woman, let her hold you
'Til you know how she needs to be touched
You gotta breathe her, really taste her
'Til you can feel her in your blood
When you can see your unborn children in her eyes
You know you really love the woman

When you love a woman, tell her that she's really
wanted
When you love a woman, tell her that she's the one
'Cause she needs somebody to tell her that you'll
always be together
So tell me, have you ever really, really, really ever
loved a woman?

You got to give her some faith, hold her tight
A little tenderness, you gotta treat her right
She will be there for you, takin' good care of you

Then when you find yourself lyin' helpless in her arms
You know you really love the woman

Cuando la ames dile que vive en tus sueños
Que no habrái ninguna más que ella para ti
Y cuando le entregues la promesa de tu amor eterno
Sabrás si has amado tanto, si has amado a una mujer

de veras

So tell me have you ever really, really, really ever loved
a woman?

So tell me have you ever really, really, really ever loved
a woman?
