There's a long stretch of black top,  
Underneath a cloudless sky,  
There's my truck washed and gassed up,  
It's itchin' for a ride.  
If this had been 6 months ago,  
I know what I'd have done.  
Girl, I'm runnin' out of reasons to run.

Chorus:  
I'm runnin' out of reasons,  
I've lost that restless feelin',  
Slowly I'm believin'  
I'm where I'm supposed to be.  
When you hold me, I feel no need  
To chase that setting sun.  
I'm runnin' out of reasons to run.

There you stand smilin' at me,  
Sun light shinin' through your hair.  
There's that door standin' open  
With no rush to go no where  
I've found all I've searched for  
In this love that we've begun  
Girl I'm runnin' out of reasons to run.

Chorus:  
I'm runnin' out of reasons,  
I've lost that restless feelin',  
Slowly I'm believin'  
I'm where I'm supposed to be.  
When you hold me, I feel no need  
To chase that setting sun.  
I'm runnin' out of reasons to run

Chorus:  
I'm runnin' out of reasons,  
I've lost that restless feelin',  
Slowly I'm believin'  
I'm where I'm supposed to be.  
When you hold me, I feel no need  
To chase that setting sun.  
I'm runnin' out of reasons to run
