Knowing,
Gift of music showing.
Gift of love to show me the way
to the little man.
Teaching the way for the little man.
Show the way the music stems from love.
Music of my soul.

Maker.
Let me meet my Maker.
Let me see the man
who will offer eternal life.
Show me the way to eternal life.
Reincarnate music of my soul.
Music of my soul.

Love, let love guide the way,
for man, to find his music.
Love, let music be love,
to guide man to his soul.
(Music of my soul).
