(CHORUS)

Ms Victoria Secret tonight you gone tell it all
And you know your panties been tempting to take
themselves off
And I hear your body whispering
Cuz we going to get it on until you have a waterfall

(1ST VERSE)

Hop in my spaceship and lets go
To the stars and moon we go
Houston were ready for blastoff
So don't waste anytime taking it off
Baby 5 4 3 2 1
You're on fire like the sun
Oohh girl I knew I had to have you
Imma lay you down abracadabra
Rose pedals and candles covering the room
Bed kicking like speakers boom boom
So fine there's nothing I wouldn't do

(CHORUS)

Ms Victoria Secret tonight you gone tell it all
And you know your panties been tempting to take
themselves off
And I hear your body whispering
Cuz we going to get it on until you have a waterfall

(2ND VERSE)

Rub you down and massage your body
It's going down so I hope you ready
Babygurl it's getting hot and heavy
And baby I see that you happy you let me
I love getting freaky deaky with you
And in your eyes I see you do too
I got a special package for you
And my bodys delivering to you
Been on my mind a lot lately
So imma cover every inch of you baby

(CHORUS)

Ms Victoria Secret tonight you gone tell it all
And you know your panties been tempting to take
themselves off
And I hear your body whispering
Cuz we going to get it on until you have a waterfall

(3RD VERSE)

To take off hit the light switch
And imma give you a demo right quick
Let our bodies tell the naked truth
Let your freaky deaky side loose
Meet me at the boom boom room
Shawty the address is the moon
Baby now that we in freaky code
Remove your panties and that's the launch code

(CHORUS)

Ms Victoria Secret tonight you gone tell it all
And you know your panties been tempting to take
