"Far Beyond the Horizon"

Where rivers flow, the sky is blue
And a golden sun is born
A place of hope where all sorrows are gone
Love and peace - Hate for none
No war, no pain, no dusty clouds
No sounds of suffering
No screams, no shouts
The peaceful silence makes us proud

Hail! Hail! Hail!
To the gods of freedom!
Hail! Hail! Hail!

One day this war will end
Our families will unite
The weapons are gonna fall
We will be guided by the light

Our hope will never end
Our dreams will live on
We pray to you - Oh, mighty gods
Make the weapons fall and raise the sun!

Hail! Hail! Hail! Freedom!

Far beyond the horizon
In a land so far away
Where rivers are blue
And the sun fills the day

There I want to be!

[solo: Martin]

Far beyond the horizon
In a land so far away
Where rivers are blue

And the sun fills the day

There I want to be!
