Riding thru the snow
The stars at our side
There's nothing left to know
We're guided by the light

With torches in our hands
We cross the Realm of Ice
We're unknown in these lands
It's our sacrifice

Freezing our blood
It's hurting so bad
Feeling like a painful cut
It's driving us mad

But we will ride
Together as one
Defending the pride
Together we're strong

Cold as ice
With steel in our veins
It's our arise
We're breaking the chains
The Ralm of Ice
So silent, so cold
A castle that dies
Sp beautiful, so old

[solo: Peter]

Cold as ice
With steel in our veins
It's our arise
We're breaking the chains
The Ralm of Ice

So silent, so cold
A castle that dies
Sp beautiful, so old
