"The World's Demise"

Once upon a time an evil child was born
Found in a forest - An almighty spawn
Raised by a family who were seen as its enemies
Raped and killed by the child - What a tragedy!

As the devil's child it was known
Fighting the world on its own
Sickness, wrath, and hate in its head
"Sooner or later you all will be dead!"

Siiting on its throne - Enslaving them all
Enjoying the suffering in its hall
Its mouth full of daggers - What a nasty smile!
With eyes full of darkness - The world's demise

The world's demise
