At the darkest gate of hell  
You can see his scary shade  
You can't resist his spell  
And there is no escape

If you think it's just a dream  
Then turn on the light  
You can see the reaper's face and scream  
And known you're gonna die

You're gonna die!  
You will die! Die!!

Thru the silence and darkness  
You will run and pray  
You'll never reach the fortress  
For heaven's far away

The only thing surrounding you  
Is this bloody creature  
Is it a dream or is it true?  
Oh, it is the reaper!

The reaper - With a scythe in his hand  
The reaper - This will be your end

[solo: Martin]

Now the time has come  
He cuts of your head  
The only thing you have done  
Was to lie there in your bed

But this is the way he takes you down  
Into his realm of death  
Try to breath and yet you drown  
This was your last breath

The reaper - With a scythe in his hand  
The reaper - This will be your end
