(feat. Talib Kweli)

Colored girl, straight A student
Brand into her' books like a movie
She says ' she call herself'

Ask her if she wanna see the movie, yeah!
She gave that smile, it's been a long time
And she been in love with a dude like a dude like I
So now I gotta open ' strong who loves to roll in
Wanna put the ring on her finger, no joking
Ricky, what are you smoking?
Now I'm just bugging
I love her close to me, don't wanna rush it
Cause I've got time, cause I've got her and she got I
And I got her love and she got mine
Do anything to see my girls smile, cause

Chorus:
I got my down ass girls with me
And she hold that!
That's why I love, oh, oh, oh
And she would know that!

Hey, if you're a down ass girl, hey, wave your fly, yeah
Down ass girl, your acronym down
Status say.. when you pigs play tag
Got a number on add, worth to call her back
This kind of lover revive me'.
..heels make her too tall
She keep it too real, take your money at the pool,
whore!
She got a job, she sick of ' working off for her
But she will give it regardless of what you offer her.
Cause other chicks play the rule, the parole officer
She never act thirsty cause'
She become my tree of life, watch me plant the seed
tonight
Raising like the sun, sister young, she gotta meet 'em
right.
The God need a goddess, a queen and'

Daddy needed honor, treat them with respect if you
believe in karma!
Yeah, you!

Chorus: (x2)
I got my down ass girls with me
And she hold that!
That's why I love, oh, oh, oh
And she would know that!
