"[i just wanna let u know that  
this ones for my baby baby baby girl..]

This is for my babygirl because you never let me down  
shes my only girl  
[you are my world] x2  
this is for my babygirl  
[cuz you and i are meant to be  
together forever my babygirl]

i been lookin all my life tryna catch somethin  
i could call my wife  
i been through a few  
but i know this gon' last  
she dont even care bout what i did in the past  
i do some dirt she comin with me  
i go to jail she'll come and get me  
bail me out and get me back on my feet  
same night i'll be back on the street  
from day one i was in love wit your game  
lets buy a house and put it in your name  
see i got problems from tax evasion  
but your bank account is so amazin  
my ex broads used to flip they leads  
but you dont even trip you'll even watch my kids  
and bout the sex its oh so groovy  
lets live happily ever after  
like they do in the movies

This is for my babygirl  
[babygirl]  
because you never let me down  
shes my only girl  
[you are my world] x2  
this is for my babygirl  
[for my babygirl]  
[cuz you and i are meant to be  
together forever my babygirl]

you my joy your my pain when im wit you im high  
without you there ma keeps me achin inside

when i'm gone there you are backbone for support  
if i was broke i already know that u would put in some  
work  
do anything for your baby  
anything for your papi  
send shouts at anybody  
take the wrap if they on me  
and my name over your tittie  
signifies that you're mine  
lil cursive ass letters spellin out Gemini  
in the dark love spark thug luvn you hard  
not makin love to Al Green shyt we're bumpin 2pac  
cuz ima rida  
you my rida  
we gon be together til somebody dies-a  
and god willin it wont be for a while  
but if tomorrow never comes let me cherish this now  
and this one here it aint for the world  
hell naw this one here's for my babygirl

This is for my babygirl  
[babygirl]  
because you never let me down  
shes my only girl  
[you are my world] x2  
this is for my babygirl  
[for my babygirl]  
[cuz you and i are meant to be  
together forever my babygirl]

you kept it real never was frontin  
got with me when i was less than nothin  
didn't care that i was sleepin en mi carocha  
you always knew that it would be better in the future  
mami ? before i hit the road  
ATM an' cash she would let me hold  
never wanted your boy out there like that  
we broke up a few times  
but you'd always take me right back  
i got caught a couple of times  
you even helped me write a couple of rhymes  
lace me up with my espanol  
a million dollars we gon reach that goal  
you stuck by me thru thick n thin  
never pressured me to get up off the gin?  
you was happy jus livin in the ghetto  
always made me feel like somethin  
baby te quiero

This is for my babygirl  
[babygirl]

because you never let me down  
shes my only girl  
[you are my world] x2  
this is for my babygirl  
[for my babygirl]  
[cuz you and i are meant to be  
together forever my babygirl]"
