Whooo
Whooo
Everytime the phone rings
My heart starts imagining
That it's you on the line
Saying please me mine
I wanna give you everything
Everytime the phone rings
My heart goes.....

Everytime the phone rings
My mind starts picturing
Angels up high
Working over-time
Making you and me
Meant to be
Oh everytime the phone rings
My mind goes

Anticipation
Wild imagination
Wanna know more than anything
Oh it could be you boy
Everytime the phone rings

Anticipation
Wild imagination
Want it more than any thing
Oh it should be you boy

Everytime the phone rings
My body starts tingling
I get shivers down my spine
When it's you on the line
I get a little weak in the knees

Oh the phone rings
My body goes
Whoo
My mind goes
My heart goes

Well, goes,,,

Everytime the phone rings
Everytime the phone rings
Everytime the phone rings
Everytime the phone rings
