Lonesome stranger with a crowd around you, I see who
you are
You joke, they laugh till the show is over then you fall
so hard
If you're needing a soul to soul connection I'll run to
your side

When you're lost in the dark, when you're out in the
cold
When you're looking for something that resembles
your soul
When the wind blows your house of cards
I'll be a home to your homeless heart

Open, close me leave your secrets with me, I can ease
your pain
And my arms will be just like walls around you come in
from the rain
If you're running in the wrong direction, I will lead you
there

When you're lost in the dark, when you're out in the
cold
When you're looking for something that resembles
your soul
When the wind blows your house of cards
I'll be a home to your homeless heart

Broken, shattered like a mirror in a million pieces
Sooner or later you've got to find
Something, someone to find you and save you

When you're lost in the dark, when you're out in the
cold
When you're looking for something that resembles
your soul
When the wind blows your house of cards
I'll be a home to your homeless heart

When you're looking for something that resembles
your soul
When the wind blows your house of cards

I'll be a home to your homeless heart
I'll be a home to your homeless heart
