What makes a man wanna get all shined up
And spend the day cleanin' up his old truck
Knock on the door with a flower in his hand
What makes a woman just wanna let it go
Ignore everything she's read in her Cosmo
And follow a feelin' that she just don't understand

Nothin' but love
Ain't nothin' like it
To turn your world around
What can make you walk
With your feet off the ground
Nothin' but love

What makes a woman leave her heart wide open
And start believin' with every word spoken
It's not too good to be true it's the real thing
What makes a man wanna
Change his whole outlook
And stand in front of a man with a good book
Bet it all on a little golden ring

Nothin' but love
Ain't nothin' like it To turn your world around
What can make you walk With your feet off the ground
Nothin' but love
Nothin' but love
Ain't nothin' like it To turn your world around
What can pick you up With your all the way down
Nothin' but love (Nothin') Ohh, nothin' but love (Nothin')
Yeah, nothin' but love (Absolutly nothin') What makes a
man (Nothin' but love) What makes a woman (Nothin'
but love) Nothin' but love
