"I Let You Go"

Just yesterday
I walked away
Said we were through but should have stayed
Cause I was wrong
To let you go
Now I'm alone here by the phone
Waiting for you to come on home
I know I was wrong to let you go

Get down on my knees
Begging you baby
I can't believe I didn't see
A beautiful thing shining down on me
How could that be?

Said I'm down on my knees
Begging you baby
I can't believe I didn't see
A beautiful thing shining down on me
How, oh baby how could that be?

I let you go
I should be strong
I can't forget and can't move on
I know I was wrong, baby to let you go

Just yesterday
I walked away
Said we were through but should have stayed
Cause I was wrong
To let you go
Cause I was wrong
To let you go
