(Verse 1)

Yeah, w-w-w-where you goin'  
Lovin' the way you look  
You know this party here  
It's strictly off the hook  
Got Patron, got that Henny now we doin' it  
And by the morning you know we be choppin', skrewin'  
it

(Chorus)

Oh, oh whatta night  
I'm feelin' fly  
We got the party started and we goin' overtime  
We at the bar, we doin' shots, shots  
We with these girls  
You know they hot, hot  
Oh, oh whatta night  
You got your hands up high  
We gonna party like it's 19-9-9-99  
We at the bar, we doin' shots, shots  
We with these girls  
You know they hot, hot

(Verse 2)

Wha-wha-wha-what you drinking?  
We got it by the bar (bar)  
Get it up, push it back, get it, twist it hard  
Keep it burnin', fast straight  
Runnin' out of time  
Hold up, stop, wait a minute  
Someone press rewind

(Chorus)

Oh, oh what a night  
I'm feelin' fly  
We got the party started and we goin' over-time  
We at the bar, we doin' shot, shots  
We with these girls  
You know they hot, hot  
Oh, oh what a night  
You got your hands up high  
We gonna party like it's 19-9-9-99

We at the bar, we doin' shots, shots  
We with these girls  
You know they hot, hot

(verse 3 NTLC)

Wheeeey look who in the club  
downing shots to the sub,  
place full of love,  
got the girls in the tub,  
baby if you wanna play rough,  
get them vods down yu, yu cant ever drink enough,  
be tough, the night is far from over,  
hate to all those people in the club that are still sober,  
the nights far from a closure, look at those hips moving  
side to side,  
left to right, baby yu can come home with me tonight,  
aslong as we stay in this place, we'll bring colour like  
smarties,  
cause if its one thing i know how to do, its gotta be to  
party  
leeeh gooooo!

(Chorus)

Oh, oh whatta night  
(I'm feelin' fly)  
Oh, oh whatta night  
(And we goin' overtime)  
We at the bar, we doin' shots, shots  
We with these girls  
You know they hot, hot

Oh, oh whatta night  
You got your hands up high  
We gonna party like it's 19-9-9-99  
We at the bar, we doin' shots, shots  
We with these girls  
You know they hot, hot
