"Rise And Shine"

I used to go to sleep at night
So thankful for my simple life
Up at all the stars I would be gazing
An ordinary girl it seems
But never in my wildest dreams
Could I imagine something so amazing

It happened in an instant
Everything changed
Now my whole life is rearranged

It's time to rise and shine
Wake up and make the day mine
In this brand new world
I'm at the starting line
But I know deep down that it will all be fine
'Cause I'm gonna rise
It's time to rise!

It's a brand new world
And I'm at the starting line
But I know deep down that it will all be fine
'Cause I'm gonna rise
Right before their eyes
I'm gonna rise and shine
Rise and shine
