Some people call me a teenage idol
Some people say they envy me
I guess they got no way of knowing
How lonesome i can be
I need somebody to be my baby
Someone to tell my troubles to
I've got no time to ever find her
Cause i'm just passing through
I travel around from town to lonely town
I guess i'll always be just a rolling stone
If i find fortune and fame and lots of people know my
name
That won't mean a thing if i'm all alone
I get no rest when i'm feeling weary
I got to pack my bags and go
I got to be somewhere tomorrow
To smile and do my show
I travel around from town to lonely town
I guess i'll always be just a rolling stone
If i find fortune and fame and lots of people know my
name
That won't mean a thing if i'm all alone
Some people call me a teenage idol
Some people say they envy me
I guess they got no way of knowing
How lonesome i can be
How lonesome i can be
