Believe What You Say

Ricky Nelson

Written by Dorsey Burnette and Johnny Burnette

Peak position # 4 in 1958

I believe what you say when you say you're goin' steady
with nobody else but me

I believe what you say when you say you don't kiss
nobody else but me

I believe (I believe), do believe (do believe), I believe (I
believe)

Yeah, I believe, pretty baby, believe you're goin' steady
with nobody else but me

Well, there's-a one thing, baby, that I wantcha to know
When you're rockin' with me don't rock too slow
a-Move on in, get toe-to-toe
We're gonna rock till we can't rock no more

I believe (I believe), do believe (do believe), I believe (I
believe)

Yeah, I believe, pretty baby, believe you're goin' steady
with nobody else but me

SPOKEN: Well, let's dig it now.

Well, I believe what you say when you say you don't
miss nobody else but me

I believe what you say when you say you don't kiss
nobody else but me

I believe (I believe), do believe (do believe), I believe (I
believe)

Yeah, I believe, pretty baby, believe you're goin' steady
with nobody else but me

Well, when you kiss me, baby, then you roll your eyes
I get a funny feelin' that I'm hypnotized
Chills run all up and down my spine
I'm tellin' everybody that you're mine, all mine

I believe (I believe), do believe (do believe), yeah

believe (yeah believe)
Oh, believe, pretty baby, believe you're goin' steady
with nobody else but me

SPOKEN: Oh, yeah!!

Well, I believe, do believe, yeah believe
Well, believe, pretty baby, believe you're goin' steady
with nobody else but me
