When you came along, oh, happy was I  
When you went away, I thought I would die  
Oh baby, don't leave me this way  
(Oh baby)

You know how much I need your touch  
Baby, I love you a little too much  
Oh baby, don't leave me this way  
(Oh baby)

I thought you said our love was true  
That you love me and I love you  
But now you're gone and I am blue  
Oh, what am I gonna do

I just can't see why you wanted to go  
You knew all along it would hurt me so  
Oh baby, don't leave me this way  
(Oh baby)

I thought you said, our love was true  
That you love me and I love you  
But now you're gone and I am blue  
Oh, what am I gonna do

I just can't see why you wanted to go  
You knew all along it would hurt me so  
Oh baby, don't leave me this way  
(Oh baby)

Oh baby, don't leave me this way  
(Oh baby)
