Everlovin', hoo everlovin'
Everlovin', hoo everlovin'

Everlovin', you're my one desire
Everlovin', you set my soul on fire
Everlovin' I'll be everlovin' you

Everlovin', I will treat you tender
Everlovin', if you'll just surrender
Everlovin', I'll be everlovin' you

You're my darling, you're the one I'm dreaming of
I've gotta make you mine
'Cause you're the only one I ever loved

Everlovin', say you'll leave me never
Everlovin', I'll be yours forever
Everlovin', I'll be everlovin' you

You're my darling, you're the one I'm dreaming of
I've gotta make you mine
'Cause you're the only one I ever loved

Everlovin', say you'll leave me never
Everlovin', I'll be yours forever
Everlovin', I'll be everlovin' you

Everlovin', I'll be everlovin' you
Everlovin', I'll be everlovin' you
Everlovin', I'll be everlovin' you
