Now when I see you walking by with a wiggle walk  
You know you look mighty good oo-wee  
And baby you can talk the kind of talk  
That does funny things to me

Now when you tell me that you love me so  
It thrills my heart uh honey don't ya know  
That when you're in my arms oo-hoo  
It feels mighty good to me

Do I love to love you?  
Awww honey yes indeed  
'Cause anything that you're missing  
Believe me honey you don't need

Well everytime I get to kiss your tender lips  
You know they taste mighty good oo-wee  
When you're in my arms my heart just flips  
Oo-hoo what you're doin' to me

Now the kind of love that you inspire  
Fills my heart with a warm desire  
And when you set my lips on fire  
It feels mighty good to me

Do I love to love you?  
Awww honey yes indeed  
'Cause anything that you're missing  
Believe me honey you don't need

Well everytime I get to kiss your tender lips  
You know they taste mighty good oo-wee  
When you're in my arms my heart just flips  
Oo-hoo what you're doin' to me

Now the kind of love that you inspire  
Fills my heart with a warm desire  
And when you set my lips on fire  
It feels mighty good to me  
Awww it feels mighty good to me  
You know it feels mighty good to me
