Teenager in love

Each time we have a quail, it almost breaks my heart,

Cause I'm so afraid that we will have to part

Each night I ask the stars up above

Why I must be a teenager in love?

One day I feel so happy the next day I feel so sad

I guess I'll learn to take to good with the bad

Cause each night I ask the stars up above

Why must I be a teenager in love?

I cried a tear, for nobody but you

I'll be a lonely one if you should say were through

Well if you want to make me cry that won't be so hard

to do

If you should say good bye I'll still go on loving you

Each night I ask the stars up above

Why must I be a teenager in love?

I cried a tear for nobody but you

I'll be a lonely one if you should say were though

Well if you want to make me cry that won't be so hard

to do

And if you should say good bye, I'll still go on loving

you

Each night I ask the stars up above

Why must I be a teenager in love?

Why must I be a teenager in love?

Why must I be a teenager in love?

Why must I be a teenager in love?
