I've got a girl, she's a regular date  
When she's good she's good & when she's bad she's  
great  
Do you know what I mean?  
(I know what you mean)  
Do you know what I mean?  
(I see what you mean)  
If you had a girl like mine, you'd know what I mean

She looks cool in a sweater & corduroys  
She loves them bent but she likes fickle boys  
Do you know what I mean?  
(I know what you mean)  
Do you know what I mean?  
(I see what you mean)  
If you had a girl like mine, you'd know what I mean

Bridge:  
She likes to be around me; she knows where I stand  
I'm so glad she found me; she finds me every time she  
can, yeah

Every evenin' when we're doin' our thing  
She stays home 'cause she likes it in  
Do you know what I mean?  
(I know what you mean)  
Do you know what I mean?  
(I see what you mean)  
If you had a girl like mine, you'd know what I mean

(instrumental)  
(repeat bridge & verse 3)

If you had a girl like mine, you'd know what I mean  
If you had a girl like mine, you'd know what I mean  
(I know what you mean)
