Young Emotions

Young emotions are mixed emotions  
For it's a world where love and confusion reign  
A world of hope and laughter and tears and pain  
At times a gentle breeze in a hurricane  
A world full of doubt but love works it out

Young emotions are strange emotions  
For though we're brave, sometimes we are so afraid  
But knowing there are memories to be made  
We'll face each new tomorrow, dear, undismayed  
For our love will keep us together  
And our love will help us to weather  
These young emotions

For though we're brave, sometimes we are so afraid  
But knowing there are memories to be made  
We'll face each new tomorrow, dear, undismayed  
For our love will keep us together  
And our love will help us to weather  
These young emotions
