- Words and Music by Jerry Fuller  
It's a young world  
When you're in love, you're in a young world  
So take my hand and let me show you  
Just how true young love can be  
And whoa-uh-oh  
It's a young world  
And if you'll tell me you're my one girl  
You'll make my whole life worth livin'  
Just by givin' your love to me  
All of the world is a treasure  
When you have someone to care  
Promise me your love for-e-ver  
We'll have the whole world to sh-a-are  
And it's a young world  
When you're in love, you' re in a young world

If you believe what I've told you  
Let me hold you, say you love me

All of the world is a treasure  
When you have someone to care  
Promise me your love for-e-ver  
We'll have the whole world to sh-a-are  
And it's a young world  
When you're in love, you' re in a young world  
If you believe what I've told you  
Let me hold you, say you love me  
It's a young world, whoa-oh-oh  
It's a young world, whoa-oh-oh  
FADE  
It's a young world, ooh-ahh-oo-oo (young world,  
young world)
