VERS:

you wont be back for the rest of my life
I feel there's nothing left to know
I can feel the *** the best (estibest!?)(aftertaste?!)
knowing that you didnt leave me a purpose
I see my life in the dark
I feel the tears down your cheek

REF1

WHY did you leave me
Why did you come to me
Why did you do that to me
What is the last up to me
just a feeling
just an emotion
just the knowing
that you wont come back to me
why did you do it
what will you be next, to hurt my feeeelings
just to see the tears of my life

Solo

REF 2

why did you do i
what will you be next, to hurt my feelings
just to see the tears of my life
just a feeling, just an emotion, just the knowing
