AIN'T LOVE A GOOD THING  
(Dallas Frazier)

Blues go ahead and knock upon my door you can't hurt  
me anymore  
Um-um ain't love a good thing  
Rain go ahead and let it rain all night in the morning I'll  
be dry  
Um-um ain't love a good thing  
Ain't it good to know love can take away the rain  
And make the sunshine again  
And ain't it good to know love can take a lonely dream  
And turn it into a real thing  
Um-um ain't love a good thing um-um ain't love a good  
thing  
Pain find yourself another heart to ache and another  
mind to break  
Um-um ain't love a good thing  
Time find yourself another fool to waste and another  
place to stay  
Um-um ain't love a good thing  
Ain't it good to know...  
Um-um ain't love a good thing  
Ain't love a good thing good thing  
Ain't love a good thing
