Same Ol' Love by Ricky Skaggs (Chris Austin/Greg Barnhill)

I'd pretend it was over, but over was a word I couldn't  
take  
Each time I thought I'd left you  
I find my way back to you the next day  
I was foolish to think  
That I could leave you for good  
At times I thought I might  
But now I know I never could

It's that same ol', same ol' love  
All forgiving sent from up above  
And your same ol', same ol' love  
Is all I need  
Yes I never get enough of your same ol' love

Other girls would have left me  
If I had so much as said the word goodbye  
But you stood there patiently  
And watched my leaving turn into a lie  
Heaven knows the kind of magic here  
That keeps me hangin' on  
As long as you're holding me  
I know I can't go wrong

It's that same ol', same ol' love  
All forgiving sent from up above  
And your same ol', same ol' love  
Is all I need  
Yes I'll never get enough of your same ol' love

There's no chance of doing better  
Or finding someone new  
'cause the truth is  
They don't make 'em any better than you

2X Refrain

Your same ol' love, ohhh your same ol' love, your same

ol' love

Same Ol Love
