STRAIGHT TO YOU

(George Teren - Lee Saterfield)

Â« Â© '92 Screen Gems-EMI Music Â»

I have stumbled and I have complained on this rough  
and rocky road  
I've been humbled caught out in the rain and it's chilled  
me to the bone  
Now I've seen my dreams scatter like leaves lost in the  
wind  
And if I could do it over I'd go through it all again  
Cause every path I haven't chosen every heart that  
wasn't true  
Every door that wouldn't open led me straight to you  
I've been lonely I've held on to love I was never meant  
to have  
No one told me till I let go love would stay beyond my  
grasp  
Well it took a little heartache and it took a lot of time  
But the love I didn't look for is the best I'll ever find  
Cause every path I haven't chosen...  
Cause every path I haven't chosen...  
Every hour I've felt forsaken every storm I've struggled  
through  
Every chance I've ever taken led me straight to you  
Straight to you
