Come and lay with him
Sweet love, my sweet love
Uh, uh, uh, aha, aha
Meet me in the meadow
Where the buttercups they sing your name

Chorus:
Uh, uh, uh, aha, aha
Come sit by me beautiful friend
Till the end!
Come and lay with my sweet love
Myyyy sweet love, myyy sweet love
Sweet love, sweet love

We can lay in grass
And I say uh, uh, aha, aha
Listening to the hope of the night
Will our shadows dance in the moonlight?
I can feel, feel the beat of your heart

Chorus:
Uh, uh, uh, ah, ah, ah
Come sit by me beautiful friend
Till the end!
Come and lay with my sweet love
Myyyy sweet love, myyy sweet love
Uh, uh, uh, aha, aha
