(Carter Stanley - Ralph Stanley)

Of't my thoughts drift back to childhood  
To the time when I was free  
As I played before the fireside  
'Round my darling mother's knee.

There's a blessed home up yonder  
Where my loved ones wait for me  
I saw mother in a vision  
Kneeling there to pray for me.

--- Instrumental ---

Then one day our mother left us  
Daddy said she'd gone to rest  
I remember how she loved me  
As she clutched me to her breast.

There's a blessed home up yonder  
Where my loved ones wait for me  
I saw mother in a vision  
Kneeling there to pray for me.

--- Instrumental ---

Some sweet day I'll meet you mother  
Your little boy is commin' home  
To see you as in days of childhood  
The one you loved and left alone.

There's a blessed home up yonder  
Where my loved ones wait for me  
I saw Mother in a vision  
Kneeling there to pray for me...
