On Saturday night when our work is done  
We load our music up on the run.

Heavy traffic ahead, heavy traffic ahead  
We got to ramble ramble there's heavy traffic ahead.

We pull out of Nashville right on time  
The Blue Grass special heads down the line.

We traveled around from state to state  
The Bluegrass boys are never late.

Late in the evening about sundown  
You know we've come from some other town.

We do our work with a good will  
On Friday night we head for Nashville...
