I'M TIRED

(Mel Tillis - Webb Pierce - Buck Peddy)

Ã,Â« Ã,Â© '58 Cedarwood Publishing Ã,Â»

Standin' on the corner of a busy street  
Lookin' for your face in every crowd I meet  
Searchin' every honky tonk in this town  
Tryin' to find the places where you hang around  
Oh Lord I'm tired tired of living this a way  
Well I've been searchin' for you baby night and day  
Wonderin' if your love will ever come my way  
But time is runnin' out and I'm a slowin' down  
Tired of bein' just another hang around  
Oh Lord I'm tired tired of living this a way  
There ain't no happiness in anything I do  
I found myself so lonely when I'm not with you  
What makes you just a kinda girl a guy will love  
You've got so many others that you're thinking of  
Oh Lord I'm tired tired of living this a way  
Oh Lord I'm tired tired of living this a way
