Now darling, I've loved, I've never done wrong
I've been fair to you, you know all along
Why treat me this way, you're breaking my heart
I'm lonesome for you, we're so far apart.

It's never too late to start over new
I've loved you so long, you know I've been true
Please come back to me, my heart is so blue
It's never too late to start over new.

Now when you are tired your new love's gone down
I hope you'll return, I'll still be around
I love you so, well, you know I will wait
But remember these words, it's never too late...
