(Carter Stanley)

Keep a memory of our love dear
Never ever let it stray
Why betray the heart you've broken
I'll find happiness some way.

When I think about you darling
I often hang my head and cry
Words just can't explain my feelings
Just to know I've lived a lie.

Keep a memory of our love dear
Never ever let it stray
Why betray the heart you've broken
I'll find happiness some way.

--- Instrumental ---

When our old friends ask about you
Many times I can't reply
Just the thought of your name darling
Makes me wish that I could die.

Keep a memory of our love dear
Never ever let it stray
Why betray the heart you've broken
I'll find happiness some way.

--- Instrumental ---

Keep a memory of our love dear
Never ever let it stray
Why betray the heart you've broken
I'll find happiness some way...
