On the road again
Just can't wait to get on the road again
The life I love is makin' music with my friends
And I can't wait to get on the road again

On the road again
Goin' places that I've never been
Seein' things that I may never see again
I can't wait to get on the road again

On the road again
Like a band of gypsies we go down the highway
We're the best of friends
Insisting that the world be turnin' our way

And our way, is on the road again
Just can't wait to get on the road again
The life I love is makin' music with my friends
And I can't wait to get on the road again

On the road again
Like a band of gypsies we go down the highway
We're the best of friends
Insisting that the world be turnin' our way

And our way, is on the road again
Just can't wait to get on the road again
The life I love is makin' music with my friends
And I can't wait to get on the road again
And I can't wait to get on the road again
