Everybody knows you've been steppin on my toes  
And I'm gettin' pretty tired of it  
You keep'a steppin out of line and'a messin' with my  
mind  
If you had any sense you'd quit.  
Ever since you were a little bitty teeny girl  
Said I was the only man in this whole world  
Now you better do some thinkin' and then you'll find  
You got the only daddy that'll walk the line.  
I keep'a workin' everyday all you wanna do is play  
I'm tired of stayin' out all night  
I'm comin' unglued from your funny little moods  
Now honey, baby that ain't right.  
Ever since you were a little bitty teeny girl  
Said I was the only man in this whole world  
Now you better do some thinkin' and then you'll find  
You got the only daddy that'll walk the line.  
You keep'a packin' up my clothes nearly ev'rybody  
knows  
That you're still just'a puttin' me on  
When I start walkin' then I hear you start squakin'  
Beggin' me to come back home.  
Ever since you were a little bitty teen girl  
Said I was the only man in this whole world  
Now you better do some thinkin' and then you'll find  
You got the only daddy that'll walk the line.
