Satin sheets to lie o-on  
Satin pillows to cry o-on  
Still I'm not happy, don't you see  
Big lo-ong Cadilla-ac  
Tailor makes upon my back  
Still I-I want you-ou to set me free

I've found another ma-a-an  
Who can give more than you ca-an  
Though you've given me  
Everything money can buy  
But your money can't hold me tight  
Like he does on a long long night  
You know you didn't keep me sa-atisfied

(Satin sheets) Satin sheets to lie o-on  
(Satin pillows) Satin pillows to cry o-on  
Still I'm not happy, don't you see  
Big lo-ong Cadilla-ac  
Tailor makes upon my back  
Still I-I want you-ou to set me free

(Satin sheets) Satin sheets to lie o-on  
(Satin pillows) Satin pillows to cry o-on  
Still I'm not happy, don't you see  
Big lo-ong Cadilla-ac  
Tailor makes upon my back  
Still I-I want you-ou to set me free

(Satin sheets) Satin sheets to lie o-on  
(Satin pillows) Satin pillows to cry on (fade)
