i was your witch babe
casting spells for you
made deals with your karma
I was your fool
(I)
and you drew your flames on me
Said I worshiped your devils
that might have been true
said I seduced your demons
but the demon was you
Ã,Â© g,em,g f#7

and you drew your flames on me
I'm banished by name
the one drawn on my fathers grave
I inherited his shame ""
(i)
when you drew your flames on me
Am I a sinner babe
that might have been true
but if I am a sinner babe
I was cursed by you
and you drew your flames on me.
