You know when you left  
I was missing you so bad  
Baby when you left  
I was missing you so bad  
And there was no one except you  
Hey baby ain't you glad

You were so evil-minded  
It was a bad time I had  
You was so evil-minded  
It was a bad time I had  
But I won't forget you  
I said baby, ain't you glad

Well you're gone now  
You know I feel so bad  
Well well you're gone now  
You know I feel so bad  
Well I guess I should have known  
Hey baby ain't you glad

Right on, right on, right on ..
