sa'ato negah nakon
lahze ha ro nashemor
be khodet dorough nago
az chi mikoni farar?

dele to asir shode
sahme to kavir shode
vaseye joda shoan
hala, kheyli dir shode

shayad in taghdire man bood
ke hamishe ba to basham
midoonam, taghsire man bood
nemikhastam ke joda sham

eshgh negahdari mikhad
shaba bidari mikhad
vaghty tange dele yar
az to deldari mikhad
az jodaei harf nazar
harfi az raftan nazar
ataash az roye havas to be in ghalbam nazar

hata fekresham nakon
in dige kare khodast
ma ki hastim ke begim
in eshtebas
eshgh mesle nafas mimoone vasamoon
age sade begirish, omret fanast
