(Ned Miller)

From a jack to a king
From loneliness to a wedding ring
I played an ace and I won a queen
And walked away with your heart.

From a jack to a king
With no regrets I stacked the cards last night
And lady luck played her hand just right
And made me king of your heart.

For just a little while
I thought that I might lose the game
Then just in time
I saw the twinkle in your eye.

From a jack to a king
From loneliness to a wedding ring
I played an ace and I won a queen
You made me king of your heart.

--- Instrumental ---

For just a little while
I thought that I might lose the game
Then just in time
I saw the twinkle in your eye.

From a jack to a king
From loneliness to a wedding ring
I played an ace and I won a queen
You made me king of your heart...
